BABY BOTTLE  
BLESSING CAMPAIGN

## What is the “Be the Change” Baby Bottle Blessing?

It is a simple way for your church, women’s ministry, Sunday school class, youth group, VBS, company, civic organization, homeschool group, or any other LIFE minded group to make a difference in a big way. Simply pick up your baby bottles, fill them with change, cash, or checks. Once your bottle is full and your group’s campaign is finished, return the bottles to us and we take care of the rest. When you partner with us, you help others choose life!

1

### Set Up Your Campaign

Choose a date that you will start and end your campaign (usually four weeks long). Give us a call and let us know how many bottles you would like and when you can pick them up. You can pick up bottles at our Asheville or Waynesville locations.

### Have a Kick-Off Service or Event

Plan a kick-off service or event where you will introduce MAPS and the campaign. You can set up a station for individuals or families to pick up the bottles to take home and fill with change, cash, or checks. If you’d like, you can schedule one of our staff members to come and present our ministry that same day, or you can use the MAPS Information Sheet included in this packet to share about the campaign.

*It is important that each week during your campaign, you remind your participants to keep filling their bottles and to return them on the final day of your campaign. Once you have all the bottles returned, drop them off at our center. We will process the bottles and notify you of your total contribution amount.*
