## BABY BOTTLE BLESSING CAMPAIGN

### Questions and Answers

#### **Q. When should I kick off a Be the Change Baby Bottle Blessing Campaign?**

A. Anytime! Popular times include: Sanctity of Human Life Sunday, Mother's Day, Father's Day, VBS, Back-to-School Time, Thanksgiving.

#### **Q. Are donations tax deductible?**

A. All checks and online donations will be receipted. Sorry, but we are not able to offer receipts for cash/coins.

#### **Q. Will I be informed how much my church/group raised?**

A. Yes. Please allow 4-6 weeks for processing. When processing is completed, we will notify you via letter to the address we have on file.

#### **Q. What if all the bottles aren't returned by the end of the campaign?**

A. It is common for a few bottles to be returned late. At the end of your campaign, you can go ahead and return what you have gotten back so far. You can give periodic reminders a few times after your campaign ends, and then let it go. You may get a few stragglers back here and there. Another option would be to have a "sign out sheet" to keep track of who takes a bottle, and that will enable you to be able to follow up with them personally after the campaign ends.

#### **Q. Where and how do I return the bottles? (They are heavy!)**

A. You can return the bottles to the same location you picked them up from. The full bottles can be heavy. We recommend you return filled bottles in a box of 25 max with empty bottles in a separate container or bag.
