

# Sanctity of Human Life Month

Sanctity of Human Life Month is observed each January to honor the God-given value of every human life—from the moment of conception to natural death. At **Mountain Area Pregnancy Services (MAPS)**, we invite churches to join us in affirming the sacredness of life and advocating for compassionate, life-affirming choices. This month is an opportunity to educate congregations, pray for vulnerable women and families, and support ministries that offer hope and healing. Together, we can be a voice for the voiceless and a light in our community.

“I praise you,  
for I am fearfully and  
wonderfully made.”

—*Psalm 139:14*
